MEMBERS CHAMPIONSHIP YARDS & STABLING

ALL Stables & Yards are numbered. ONLY use the one allocated to you.

The number next to your name is your yard/stable number.

If you have a sponsored yard and do not require it for a competition, you cannot give it to a friend, the committee allocates these to judges/officials/committee who may be riding & require its use. If a horse is found in a yard that is not meant to be in, the OC reserves the right to request it be moved.

Those highlighted in Orange have moved from the waitlist and now need to pay for their yard or stables, please call Nominato to pay.

Please ensure they are completely clean of all manure, hay etc
